

# Bullet®

## CABLE PROTECTOR

THE ULTIMATE  
SOLUTION FOR  
PROTECTING  
MAGNET LEADS

**The Bullet® cable protection system prevents abrasions, nicks, cuts and heavy impacts that cause premature electrical failures to lifting magnets and magnet system components.**

**Reliable:** The Bullet® is engineered and developed for simple attachment and maximum cable flexibility for a full range of magnet power cables, ensuring reliable operation and optimum protection.

### Life-long savings

- Reduce magnet lead repairs and replacements
- Minimize premature lifting magnet failures
- Prevent premature damage to magnet system components
- Protect machine's main electrical system from damage

For more information on how to get the Bullet® cable protection system on your machine, contact Winkle Industries.

**Durable:** Each Bullet® is molded in a high-density polymer material engineered and analyzed to resist environmental factors such as UV degradation and extreme hot and cold conditions, ensuring durability and extended service-life.
