

BULLET® CABLE PROTECTOR

WINKLE

The Bullet® cable protection system prevents abrasions, nicks, cuts and heavy impacts that cause premature electrical failures to lifting magnets and magnet system components.

RELIABLE

The Bullet® is engineered and developed for simple attachment and maximum cable flexibility for a full range of magnet power cables, ensuring reliable operation and optimum protection.

DURABLE

Each Bullet® is molded in a high-density polymer material engineered and analyzed to resist environmental factors such as UV degradation and extreme hot and cold conditions, ensuring durability and extended service-life.

Reduce Magnet Lead Repairs and Replacements.

Minimize Premature Lifting Magnet Failures.

Prevent Premature Damage to Magnet System Components.

Protect Machine's Main Electrical System From Damage.
